

40th Reunion Round-up

August 4-8, 2010

San Antonio, Texas

This will be the NAVVF's 40th (XL) Reunion.

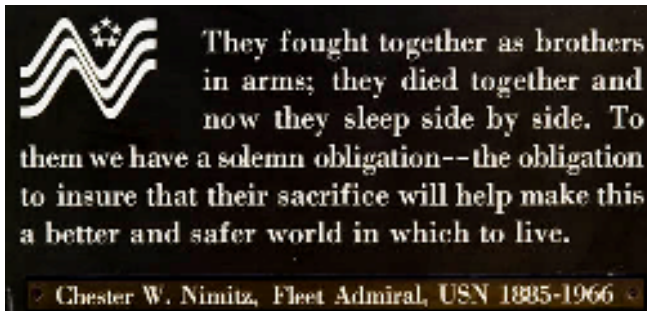

*How fitting that we'll meet in the state
where EVERYTHING's bigger!*

**Headquartered in the historic Menger Hotel
(where Teddy Roosevelt
commissioned his Rough Riders)
we'll be next door to
The Alamo and the famed Riverwalk.**

**You are invited to participate in our 40th Reunion project -
A commemorative plaque, honoring
Capt. Franklin Van Valkenburgh and the USS Arizona.**

**As part of our 40th Anniversary celebration, we will visit
The National Museum of the Pacific War
In Fredericksburg, TX (*hometown of Admiral Chester W. Nimitz*)**

The plaques in the Museum's Memorial Courtyard preserve the memory of those who served.

We hope to raise \$2500 for a 20"x 20" plaque that will honor Capt. Van Valkenburgh & the USS Arizona.

The plaque will be unveiled and dedicated in a special ceremony during our visit to the Museum on August 6, 2010.

Plan to join us for this proud family event.

Yes! I want to help memorialize Capt. Franklin Van Valkenburgh & the crew of the USS Arizona by contributing to a plaque in their honor.
